Let me start this special note with my favorite song:

"You are my universe

And I just want to put you first..."

I don't know when, where, or how it started, but our bond has only grown stronger and stronger. (Thanks to me, haha!)

Yes, you make me feel special.

You make me feel stupid.

You make me feel every damn feeling in this world.

Whatever it is... you complete me.

Maa bangaram raa nuvvu... kuchi-buchi golu-molu...

Life lo okkate cheptha ra betey—neeku nachindi cheyyi. Adi correct aina wrong aina, I'll always support you even if the world turns upside down.

Bayataki santhosham ga undi, lopala okkadaanive fight chesthe... it doesn't make you strong or independent. Emaina kaani, we will never judge you—especially me. Endukante nuvvu maa pichi Akki kabatti!

By the way, I forgot to say the most important thing:

I love you so much, pichi!
